

WESTERN MASS.

Free car washes

F.L. Roberts' Golden Nozzle car wash locations across the region will offer veterans complimentary washes on Thursday in recognition of Veterans Day.

Veterans will only need to identify themselves verbally in order to receive their free wash.

The service is part of a national "Grace for Vets" program begun in 2004 to show support for members of the military. More information is available online at www.graceforvets.org and at www.flroberts.com.
