

Tank of gas, car wash to help kids, animals

Between Nov. 16 and 12, those across the Pioneer Valley who fill their gas tanks or get a car wash or an oil change will help agencies that feed the hungry, and animals in need, through an effort called F.L. Roberts Causes in the Community.

Monday through Saturday, a portion of daily proceeds from more than 50 western Massachusetts F.L. Roberts convenience store/gas stations, Golden Nozzle Car Wash locations and Jiffy Lube sites will benefit a different organization, up to \$2,000 per day.

The following organizations are participating:

- Monday, Nov. 16: Rachel's Table
- Tuesday, Nov. 17: United Way of Pioneer Valley
- Wednesday, Nov. 18: American Cancer Society
- Thursday, Nov. 19: Dakin Pioneer Valley Humane Society
- Friday, Nov. 20: Children's Miracle Network (Baystate)
- Saturday, Nov. 21: Shriners Hospitals for Children

F.L. Roberts President Steve Roberts said in a press release he hopes the week will become an annual event. The charities were mostly chosen by F.L. Roberts employees who support each organization locally. Visit www.froberts.com for a schedule of the organizations, a list of participating F.L. Roberts locations and more information on each cause.
