Hadley Car Wash Re-Opens, Offers a Free Wash on August 5

(Hadley, MA) – The Golden Nozzle Car Wash location on Route 9 in Hadley re-opened sooner than expected on Wednesday, July 29 after an electrical fire damaged the exterior of the building. They will offer a free car wash to customers all day on Wednesday, August 5.

A malfunction in an electronic sign near the exit to the car wash was likely the cause of the accidental fire that started around 2 a.m. on Wednesday, July 8. The building didn't sustain any major structural damage and no one was on site at the time of the fire. Most of the restoration prior to re-opening was focused on soot and smoke damage inside the building, which took approximately three weeks to repair.
