

The screenshot shows the WWLP.com website with a blue header. The logo '22 WWLP.COM NEWS WORKING FOR YOU' is on the left, and the weather '46° F Cloudy' is on the right. A navigation bar contains links for NEWS, WEATHER, VIDEO, REPORT IT, COMMUNITY, MASS APPEAL, and MORE. A search bar is on the right. The main article is titled 'Gas prices will continue to drop' by Sy Becker, published on November 12, 2014. The article text states that F.L. Roberts predicts gas prices will continue to drop for a few more months, with prices in Springfield, Mass. dropping below \$3.00 per gallon. Social media sharing icons for Twitter, Google+, Facebook, and Pinterest are present. A 'Related Coverage' section includes a link 'When will gas prices plateau?' and another article 'Gas prices well below national average in Western Mass.'. A 'Local News' sidebar lists several items, including 'I-Team Who pays when road construction damages your home?'. A 'Share this:' section offers options for Email, Print, Facebook, Twitter, Google+, LinkedIn, and More. Below the article are two featured images: one of a man in a suit (captioned 'Former Mayor Bissonnette to become Greenfield DPW director') and another of a person in a field (captioned 'Running out of time for leaf pickup/drop off'). A 'US WEATHER NEWS' link is also visible. The page footer includes 'blog comments powered by Disqus' and an 'Advertisement' placeholder.
